Foremost School Christmas Door Decoration

We have a number of staff busy decorating their classroom doors once again this year keeping with the Christmas Spirit. A number of staff had asked me when I will be judging the doors in order to once again hand out the coveted Rudolph Award for best door. I will be doing the judging on the day of the Christmas concert and announcing the winner on Friday, December 18th.

Inclement Weather

It is the season where inclement weather is upon us. I have posted on the school web page under documents, the school division inclement weather policy. If you have any questions concerning the policy please contact the school or PRSD Central Office (1-800-468-7023). The school web page can be found at www.foremostschool.ca. Please note Foremost School will remain open in the event that buses are not running due to inclement weather. Also note Foremost School will apply the inclement weather policy to all extracurricular and school trips originating from the school.

Students Need to Dress for the Weather

School staff once again recommends to our parents and students that students come dressed prepared for all seasons. Bus students in particular should have winter attire which includes gloves, warm hats, warm coats, and warm footwear in case a potential breakdown. Town students should have similar winter attire while walking to school. It is also good that students dress in layers since often classrooms start off cool during the morning and warm up during the day and sometimes different parts of the school can be either hot or cold depending on the location of the sun or direction the wind is blowing from.

A very special thank you to Miss Berg for all the work she has put into organizing Operation Christmas Child. Gathering all the students and staff of Foremost School to work together to pack boxes to share with those in need has taught us so much. The trip to Calgary was just awesome! Thank you for teaching us that we really do become better people by giving and that giving can be done in many ways.

Thanks again, Miss Berg!

We'll always remember the difference you've made in our lives!!!
